Cuirim fior chaoin fáilte roimh gach éinne anseo inniu agus go háirithe cuirim fáilte ar leith roimh na foirne atá ag imirt sa cluichí ceannais.

On behalf of Sligo County Board I welcome you all here to Markeivicz Park today for the N.C.F. Sligo Dairies Senior Football Championship Final and the Junior Final.

County Final day is a special day for the G.A.A. in the county and today's final brings together the novel pairing of Bunninadden and Coolera / Strandhill. Both clubs have a long and proud tradition going back to the cradle days of the Association.

I hope that the junior teams, Ballisodare and St. Mary's will provide us with a very entertaining day's football. The emergence of new teams in the final can only be good for the game in the county. I am looking forward to two excellent games of football.

I wish to thank all our match officials today, local press and radio for their coverage of our games throughout the year and a special word of thanks to all our sponsors. Their support throughout the year is greatly appreciated.

Seosamh Ó Cuineáin
Cathaoirleach,
Coiste Chontae Shligigh.

Focal ón Rúnaí Chontae

Is deas an rud é inniu go bhfuil dhá fhoireann 'nua' sa chluiche cheannais sinsir. Sílim fhéin go mbeidh cluiche den scóth againn.

County Final day is always a special day. It heralds the end of the playing season for another year and of course this is a special year, being the last of the old millennium and the first of a new one - depending on which way you look at it.

With all due respect to the fine clubs who have dominated the SFC in recent years, it is refreshing to see two 'new faces' in the Senior Final. However both Bunninadden and Coolera / Strandhill represent proud traditions which go back to the very

beginning of the G.A.A. in County Sligo. I wish both clubs and their supporters well and regardless of which team wins, I am sure today will be a precursor of successful times to come for both clubs.

I also extend best wishes to the clubs involved in the Junior Final, Ballisodare and St. Mary's.

Tá súil agam go mbainfidh gach duine sult agus taitneamh as na cluichí inniu.

Tomás Mac Giolla Chadhain
Rúnaí.

A Celebration of Past and Present

By Leo Gray, Sports Editor, Sligo Champion.

In this, the first county senior championship final of the Millennium, it seems entirely appropriate that the occasion should reverberate with echoes of the past.

Bunninadden, who last won the coveted title in 1891, and Coolera/Strandhill, who haven't won the Champion's crown since 1907, have emerged from the mists of history to give us a truly unique final pairing.

In many ways, today's novel final is as much a celebration of the past as it is a testimony to the current well-being of the respective clubs. For it is not stretching the point too far to suggest that neither Bunninadden nor Coolera would be in such a strong and healthy position today if it wasn't for the selfless, inspirational work of the unsung heroes of past generations.

Over the last one hundred years or so, it must have been difficult for both clubs to keep the show on the road without the tonic of a senior county title to sustain them. Yet not only have two of the oldest clubs in the county managed to survive, they have earned for themselves glowing reputations as efficient, dedicated and loyal units of the G.A.A. in the county.

The people who quietly worked in the background, lining pitches, washing jerseys, coaching youngsters, providing transport, digging deep into their pockets in the days before corporate sponsorship became the norm to provide financial assistance to the clubs. These are the heroes for whom today is very special.

I am sure here are many families in both Bunninadden and Coolera/Strandhill who will take a special pride in this year's final and for whom the occasion will revive very special memories of years gone by.

Working on the preview of the match over the past week, I've been thinking of my former colleague at the Sligo Champion, the late Gerry McMorrow, a great Coolera man, and of Seán Kilfeather, G.A.A. correspondent on the Irish Times, who has travelled the world covering major sporting events but who is never slow to remind all and sundry of his Coolea roots.

In saluting the players of today's teams who have re-written the history books of their respective clubs, it is only right that the trojan efforts of past generations should be remembered on this special occasion.

Yes, this year's county final is dripping with nostalgia but that shouldn't, of course, diminish the achievement of the current teams in reaching the decider. They deserve their hour of glory and are generous enough in spirit to appreciate that, because of the unique nature of the final pairing, they have to share it with stars, personalities and characters of the past.

The pity is that only one team will lift the Owen B.Hunt Cup this year. But then again isn't it the pursuit of the ultimate prize, the ecstasy of the victor and the agony of the vanquished which makes sport so compelling?

Good luck to both teams. The match has the potential to be one of the all-time classics. Enjoy it.

Friends of Sligo Football in Dublin

Best wishes to both teams in today's game. As both teams have been so closely matched over the past few seasons it is impossible to predict the outcome. It should be competitive however. It is very encouraging to see this 'novel' pairing in today's final. It is a good sign of the emerging strength of club football in the county that new faces can appear on county final day. Best of luck to whichever team wins in the forthcoming Connacht Club Championship.

The Friends of Sligo Football in Dublin will be hosting the John McDwyer play "Lovely Leitrim" in Belvedere College, 6 Great Denmark St., Dublin 1 on Thursday, 16th. November 2000. The setting may be borrowed from our neighbours, but this promises to be a fantastic night out for Sligo people based in the capital. This will be the second play by McDwyer to be hosted by Friends of Sligo Football. Back in January a large Sligo audience enjoyed the popular Riverstown playwright's fine production of "You'll Never Walk Alone". Another excellent play, a very talented all Sligo cast, plus the opportunity to meet old friends promises to make this night another one not to be missed. Tickets are available from Vincent Brett (086-8114095) or from Coolera's Orla McTernan (086-8047104).

Finally best wishes to Peter Ford and his management team and to the Sligo Senior panel for the forthcoming league campaign. While we would love to see Peter and T.J. repeat their Summerhill adventure and bring us to an All-Ireland, what we hope for over the winter campaign is that Sligo football can continue to compete with and beat the 'established' teams. The players are there to do it and be assured that the supporters will be doing their bit too.

Bunninadden 1891

Bunninadden's only senior title was won on Sunday, May 3rd. 1891 in Phillips' Field, Collooney, when Bunninadden Emmets defeated Strandhill by 0-5 to 0-2.

In that era football teams were 17 a-side. Most of the training was done by moonlight as there was no time (due to hard work) to do it by day. At half time every player was given a glass of poitín. Poitín and horse embrocation was used as a rub for injuries also. There was no physio in them times.

Mark Gormley, a member of that team was great grandfather to the present Gormleys. Pat Coen, who hailed from Doocastle, was great grandfather of Paul Kerins, vice-captain of today's team. Andrew Doyle was grandfather of Mick Marren, the former Bunninadden player and county player of the 1960's. Paddy Coen, Doocastle, grandson of Pat Coen holds the only surviving medal from that time.

Final of 1891 ~ Gaelic Athletic Association Championship Match in Collooney

Bunninadden Emmets 0 - 5, Strandhill 0 - 2
(Report: Sligo Champion,

On Sunday last the final match of football for the silver medals presented by the County Committee of the Gaelic Athletic Association of the championship of the County Sligo was played in Collooney under the most favourable circumstances.

The field, kindly given by Mr. Phillips, was thronged with spectators who assembled in hundreds from the surrounding districts, also from Sligo, Ballymote, Riverstown etc. and in justice to the Collooneymen it is only right to mention that on account of the very large number eager to witness the final game for the medals, and also to admire the sturdy men of both teams, one of which is the victor of North Sligo and the other of South - they can hardly be blamed for the crowding of the sideline on a few occasions.

Mr. James A. Flanagan, County Secretary, whose impartiality and honesty of intention cannot be questioned, was selected by the County Committee to act as referee, and his decisions throughout the progress of play gave the most entire satisfaction to both teams. He made an admirable arrangement before the commencement of play, and that was in appointing two members of the County Committee,

Messrs Higgins and Bree one at each goal post to take a note of each goal and point scored. The Strandhill men won the toss and, strange as it may appear, they chose the side from which they were playing at the most disadvantage. Looking at both teams as they clasped hands in the centre of the field, it would indeed be hard to find a better body of men. The Strandhill men were the bigger, but the Bunninadden men looked hardier and could, as they proved during the following hour endure and make a splendid fight.

During the first half hour Bunninadden scored two points and twice the ball was brought past the Bunninadden goals by Kilfeather but each time he was met by Wynne who brought it back to the Strandhill territory. During the second half hour Strandhill scored 2 points and Bunninadden scored 3. The field umpire of the Strandhill team claimed that one of their points was a goal but the member of the County Committee placed by the referee at the goals for such emergencies gave it as a point. The referee's decision was Bunninadden 5 points, Strandhill 2. The Strandhill men appealed against the decision, claiming that one of their points was a goal.

Good luck to Bunninadden G.A.A. Club in the Senior County Final

Coolera's Only Senior Title 1907

A rising from a series of objections and counter-objections involving Gurteen and Killavil in the South Division, the county final of 1907 was delayed until November 30th. 1908. An immense crowd assembled in Coleman's Field, Dromard for the first ever meeting of Coolera and Easkey with local Gael, Matt Clarke, as referee. Coolera supporters turned out in great numbers, some travelling by foot, others on horseback but the majority by brake or long car.

As was customary then the game was late in starting and when it got underway the North-Sligo champions opened briskly and Andy Kilfeather, one of the stars of the game, sent over an early point. Easkey gradually found their feet and led by 0-2 to 0-1 at half time. Coolera drew level after twelve minutes but it was not until a few minutes from the end, with the shades of night falling fast, that Pat Carty got through for the only goal of the game and the winning score. Scenes of great excitement greeted the sounding of the final whistle - Coolera had won their first senior title. "The cheers of the victorious team and their supporters must have been heard on the top of Knocknarea", commented the Sligo Champion correspondent, who went on to describe the game as "one of the best contested matches ever seen in Tireragh."

The Managers

Declan McCabe (Coolera/Strandhill)

Declan is a native of Monaghan. He was a member of the Killeean club with whom he won Intermediate and junior championship medals. He played senior inter-county football for Monaghan from 1966 -'77. He moved to Leitrim and was player manager of the Cloone team that won the 1980 county senior championship for the first time since 1952. Declan scored 2-9 in the county final. When he moved to Sligo he played with St. Mary's and was involved in the training of the team with Jim Nestor. He was manager of the Bunninadden team from 1995 to '98. He took over as manager of Coolera/Strandhill in 1999. Declan is Financial Accounts Manager with Éircom in the Western Region.

James Kearins & Richard Brennan (Bunninadden)

James Kearins

James, a garda sergeant based in Ballymote, played senior inter-county football for Sligo from 1974 to 1987. He was corner forward on the Sligo team that won the Connacht title in 1975. He won four senior championship medals with St. Patrick's in 1973, '74, '88 and '89. He was manager of the St. Patrick's team from 1985 to 1988. He won an intermediate championship medal with Ballymote in 1996. He took over as joint manager of Bunninadden with Richard Brennan in 1999.

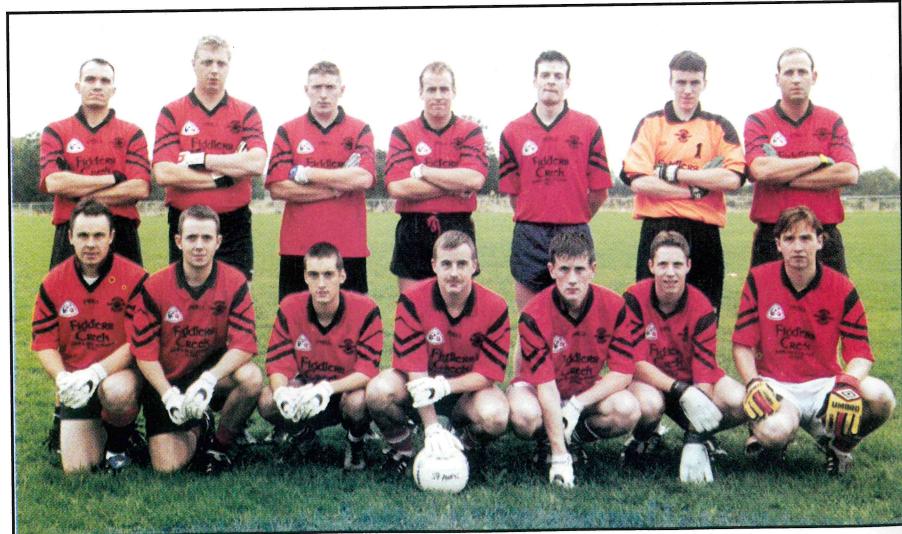

Richard Brennan

Richard, who is an agricultural contractor, has been involved with Bunninadden G.A.A. club at management level since 1991, first at intermediate level and then senior level; also St. Nathy's in which he won 2 county U-21 titles. Then as manager of Bunninadden on its own he won two intermediate league titles and last year

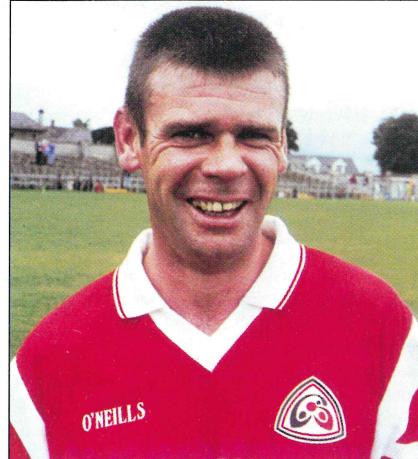

the senior league title. It gives Richard great satisfaction to see his club in its first county senior championship since 1891.

A Bunninadden Legend

Club Person of the Century

Pat Hunt has reached legendary status in Bunninadden and the surrounding area. He has the unbelievable record of having played for Bunninadden G.A.A. club in the 1940's, 1950's, 1960's, 1970's and 1980's winning County Junior titles in 1953, 1963, 1973 and 1979. Many still remember his outstanding displays for Sligo in the 1960's particularly against Galway in Tuam in 1960. He still has a lot to Offer and can be regularly seen giving a master class to the youngsters of the area on the finer arts of Gaelic Football at half time during the present Bunninadden team's games.

The Heritage That Is Coolera's by Seán Kilfeather ('Irish Times')

It is no unique thing that people will always feel drawn to the place from which they sprung. Goldsmith had this in mind when he wrote:

*"And as the hare, whom horn and hounds pursue,
Pants to the place from which at first she flew;*

*I still had thoughts my long vexations past,
Here to return and die at home at last."*

It is surely strange that the man who wrote those lines should lie beneath a marble slab in Westminster Cathedral. Not, indeed, that many Coolera people are likely to share his fate, or want to. Those of us privileged to have Coolera as a birthplace will be content with a quiet spot within sight of what another exiled poet, Louis McNiece, described as the navel of Ireland - Maeve's Cairn.

My own earliest memories of my Coolera heritage seem to involve some deft needle-work being done by my sister Mary embroidering the club's name on running vests for the Coolera cross-country team. It seems a pity in retrospect that athletics has dropped out of the Coolera curriculum for it was very strong in the Forties and early Fifties when the Nelsons, the Hartes, the Martyns and others were prominent. Boxing also had its place, and camogie too is gone.

Who in Coolera today would think of setting out for an All-Ireland final on Raleigh all-steel bikes on a Saturday evening? Well Bobby Nelson and Philpott Curran did and succeeded; sleeping in hay barns on the way, stealing an occasional turnip to stave off hunger and thinking very little of such minor irritants as punctures in such far-flung places as Collooney or darkest Boyle and returning without making a big fuss about it. What a pity nobody had told them about Mount Everest!

Indeed my own first visit to Croke Park remains vivid although over forty years have passed. It was the occasion on which both All-Ireland semi-finals were drawn and then replayed on the same day. On my first

trip therefore I saw the giants of my youth from Mayo, Kerry, Dublin and Cavan. Men like Séan Flanagan and Paddy Prendergast and Pádraig Carney and Tom Langan; men like Kevin Heffernan, Danno Mahony, 'Snitchie' Ferguson, Ollie Freaney; like Jerome O'Shea, Paudí Sheehy, Tadhg Lyne or Johnny Culloty or Victor Sherlock, Mick Higgins and Tony Tighe.

On that trip, if memory serves me right, we had the almost sinful comfort of Vincent Harte's Ford Prefect with a mere six of us to share the vast amount of space. Such luxury!

But there are earlier memories too of the smell of the freshly wet lime in Josie Scanlon's field; is my memory playing me tricks or did I see a match in a field behind Bobby Feeney's house later John Keogh's in Drinaghan?

Certainly I saw football played in Tom Harte's field in Barnasragh and memory will never fade of endless evenings in Dowd's Field in Drinaghan and Carty's Field opposite Séan Bree's in Kilmacowen. There was a time too of course when Roly Carter's field hard by Knocknarea School was our haven. Ted Browne was also our host on numerous occasions as was Bobbie Milne.

None of these of course have had the permanence of Peter Cooney's Field, at least for people of my time and age group. Since then I have met many Petey Cooneys throughout the country. People of almost fanatical dedication to the cause of the local parish. That such people exist still is part of the miracle of rural Ireland where, even amid the ugly urban spread, there are pockets of fierce loyalty and service to the old ideals.

I have seen many Coolera's too in my time since I left it. Yet, the pull remains for that one place. It cannot be for the satisfaction of seeing a gleaming club-house and a sideboard groaning under the weight of sparkling silver. It must be something else less tangible perhaps but surely far more valuable.

1946: Coolera's Last Final Appearance

The S.F.C. of 1946 was delayed owing to the late harvesting operations. When it eventually got under way in November, Coolera repeated their earlier league success over Easkey and then took on reigning county champions, Skreen, at Collooney. In keeping with previous meetings between the sides this developed into a sparkling game of fast and closely contested exchanges. A first half goal by Lambert gave Coolera a tonic start and a lead that they never relinquished, winning by 1-2 to 0-4. And so another meeting with Tubbercurry at Collooney on December 8th.

More so than any other occasion of the past, Coolera supporters were confident that this was to be their year and that the championship crown would follow the league success to the Knocknarea countryside. The game lived up to the pre-match expectations of the big crowd that converged on Quigley's Field that December afternoon. Described as "one of the best finals ever played in the county", Coolera, "a strong and very balanced side" had the better of the opening exchanges but a very resolute Tubbercurry defence, spearheaded by Mulholland, only allowed Coolera a one point lead, 0-2 to 0-1, at half time. Aided by a strengthening breeze in the second half, Tubbercurry pressed almost continuously but without results until defensive slips late in the game allowed Brennan through for two goals in quick succession, scores that decided the destination of the title for another year. Final score, Tubbercurry 2-3, Coolera ... 0-3.

'Washing the Jerseys'

by Liam Maloney

HAS Donal O'Neill ever washed a set of jerseys? Has he ever swept a dressing-room floor following a training session? He might have.

In O'Neill's position, as head of the GPA (Gaelic Players Association), such chores must seem light years away. Irrelevant, almost.

As he bids to ensure that his members command a share of the obvious revenue which Gaelic Games generate, washing a set of jerseys doesn't dominate the agenda.

For the moment, though, the G.A.A. maintains an amateur stance. The era of professionalism, whilst hovering in the distance, won't be reality just yet.

While it's accepted that being a high profile inter-county player can lead to certain rewards, i.e. 'Jobs for the Boys' - G.A.A. players aren't paid a salary for playing. Managers, meanwhile, command 'expenses'. Without knowing the true figures, it's to be expected that thousands of pounds are involved.

Getting back to the real issue. Who really cleans the dressing-room?

Ordinary people. Your neighbour, maybe.

In the world of club football, it's different. Getting paid for playing; endorsements; sponsorship - everything Donal O'Neill might aspire to - are for another time. Another place.

Take today's County Final for example. Coolera-Strandhill and Bunninadden, clubs with distinctive and proud traditions, will battle for the Senior Championship title.

'Pride of the Parish' - a much abused phrase, but the only one that is suitable. When a club reaches a County Final, everyone in that parish is entitled to bask in the build-up, the day of the game, and the aftermath.

Remember one group of people, though. Members of the club. Their diligent work, which is often unseen and usually taken for granted.

Making sure that the grass is cut; the dressing rooms tidy; the jerseys washed. In some clubs, these individuals have been 'helping out' for decades.

Witness to fluctuating fortunes. The year the club won a Championship. The year they lost a final.

Players, too, would have been observed. From cheeky teenagers, to the ones who could have played alongside Mickey Kearins (or the ones that did), to the reliable servants who featured on various panels, under different managers.

Our friend has seen them all. For these club members, success or defeat in today's fixture won't change anything.

Next week, when the doors have to be painted, repairs made to the umpires' flags, or raffle tickets flogged for the fund-raiser, our club member will deliver. As always, and without complaint.

And, when the G.A.A. embraces the idea of professionalism - the first group to be paid are not the players. But our friends, found in every club in Ireland, doing the everyday work. Like washing the jerseys.

Donal O'Neill should remember that.

Wishing Coolera-Strandhill every success from:

Coolera/Strandhill

This is the Coolera/Strandhill Club's 7th. occasion to qualify for a Senior Championship Final since its foundation in 1886. The others were 1891; 1907 - '08; 1917; 1938; 1939 and 1946.

Stephen Scanlon, who is still hale and hearty, played on the county team that won the 1935 Junior All-Ireland title. He was also a member of the Coolera teams that competed in the 1938, 1939 and 1946 County Finals and also of the victorious league teams of 1939, 1942 and 1946.

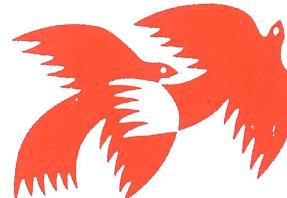

Three brothers lined out for Coolera in the 1946 Co. Final, namely Val, Gerry (R.I.P.) and Fonsi Harte of Cloverhill.

Michael Harte, Assistant Team Manager, is the only direct link with the winning team side of 1907 - '08. He is a grandson of Paddy Hunt of Brecooge one of the stars of the side.

This is the first Coolera side which is composed entirely of 'natives' of the Parish to compete in a senior final since 1891.

Among the famous county footballers to play with Coolera teams in the past were John Joe Lavin, Nace O'Dowd, John Feely, Paddy Best, Seán Fallon, Sean Tansey & Brendan McCauley (Sligo); Peter Laffey & George Ormsby (Mayo); Kieran O'Keeffe (Cavan); Bill Hassey & Michael McEnroe (Westmeath); Bill Clinton (Offaly) and Michael McTernan (Leitrim).

Coolera ~ The Founding Fathers by John C. McTernan

It is reasonable to assume that Sunday, 3rd. January, 1886, was a typical winter's day, wild and grey. Benbulben had a light covering of snow and a cold north-westerly wind howled around the cairn-topped and cone-shaped Knocknarea. In the distance the rumble of the Coragh d'Tonn at Aughris Head was clearly audible in the otherwise stillness of the January day. This was the setting as a dozen or so young men gathered at the Schoolhouse at Knocknarea to form a branch of the Gaelic Athletic Association.

The G.A.A. had been founded in Thurles towards the end of 1884 and branches of the Association quickly sprang up in every corner of the land. By the close of 1885 clubs had been established in Ballintogher, Ballisodare, Carraroe and Sligo town. The patriotic idealism and parochial pride so much in evidence in neighbouring parishes stirred the young men of Coolera into action. On that historic January day 114 years ago they became part of a great national movement and the torch set alight then has never been quenched but has passed on from generation to generation for over a hundred years.

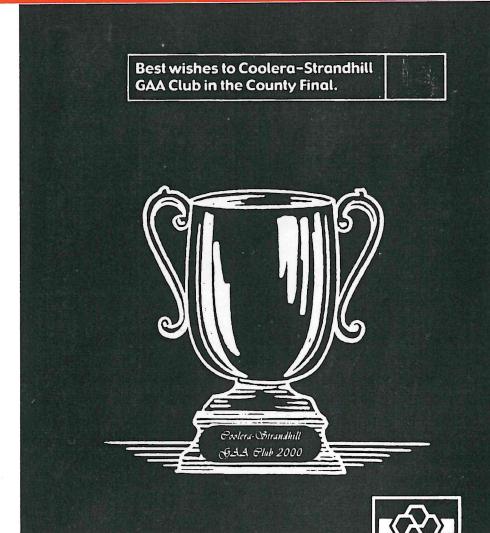

The first G.A.A. club in Coolera was known as Knocknarea with the following officers. Patrick McHugh (Chairman), Martin Conway (Secretary) and John Nevin (Treasurer). The committee consisted of John Bree, Bernard Kelly, Michael Scanlon, William Gilmor, Michael Harte and Daniel McHugh. John Hunt and John McHugh were appointed captains, with Michael Foley and John McGloin as referees. Membership increased steadily in the weeks that followed and they assembled on Sunday afternoons for training and practice

matches between teams selected by the appointed captains.

The club's first Annual General Meeting took place on September 12th, 1886. There was a good attendance, nearly all of the members answering the roll call. The Treasurer's Account revealed a substantial credit balance, which was no small achievement considering that a set of jerseys and a football had already been purchased and paid for out of members' subscriptions. The only change in officers was the election of Daniel Bree as Vice-Chairman. The new committee consisted of Michael Scanlon, Bernard Kelly, Daniel McHugh, James Fallon, Michael Harte and Thomas Devaney. Both John Hunt and John McHugh were re-appointed football captains. The club's Fife and Drum Band played a selection of martial airs in the course of the afternoon and, in the words of P.R.O., James McGloin, "The enthusiasm of all concerned gave warrant of the club becoming a very successful one." James McGloin subsequently became a member of the County Committee on its formation in December 1887.

First Competitive Game

Knocknarea paid its first affiliation fee of 2/6 in January 1888 and with seventeen other clubs entered for the first county championship. They were drawn against Ballintogher and the game was scheduled for Sligo on March 4th. with P.A. McHugh, chairman of the County Board as referee.
